Following publication on 23 February 2015 of the historic 'Income and Capital' Sector Accounts and 'Balance of Payments' pre-1997 data on a European System of Accounts 2010 (ESA 2010) basis, ONS is today publishing the 'Financial Account' pre-1997 data on an ESA 2010 basis. ONS apologises for any inconvenience this delay may have caused.

For a short while there will be an inconsistency between the Rest of the World sector within the Sector Accounts and the Balance of Payments for the period 1987 to 1996 as it has not been possible to publish an updated Balance of Payments dataset due to additional time required to process the changes. Balance of Payments pre-1997 will be updated and brought in line with the Sector Accounts at the same time as the next Balance of Payments publication, 2015 Q1, on 30 June 2015.
