Dear Householder

Our records show that you have not submitted your census. You must complete and submit it online as soon as possible. If you've submitted it in the last week, thank you and please ignore this letter.

You must complete the census by law or you could be taken to court and fined up to £1,000.

Submit your census now

- 1** Go to www.census.gov.uk and select "Start census". 
 - 2** Enter your household access code to continue from where you left off. If you've lost your code, you can request a new one from the website. **Your new code will start a new form.** 
 - 3** Answer the questions and **submit when complete.** 
-  Your answers are protected by law and will be kept confidential.

 Help is available for everyone to complete the census. Visit www.census.gov.uk or call 0800 141 2021 to find out more. A member of our Office for National Statistics (ONS) team may visit you if you've yet to complete the census.

Thank you

Professor Sir Ian Diamond – National Statistician
