Perfect Pam. My office number [REDACTED] is best. If it is OK, I'll involve the relevant statisticians [REDACTED] in the call – I have a speaker phone. Thanks again for doing this and speak on Monday.

Thanks very much for your offer. A conversation on Monday would be ideal. I'm free from 11 until 2 if some point in that slot is good for you. Drop me a note with a good time, or give me a call if we need to arrange something outside that slot. Your help is much appreciated.

Roger

Roger,

I am aware that you had one or more conversations with Jil Matheson about the then ongoing assessment of the above statistics. Now that the draft Assessment Report has landed, I wanted to suggest that Pam and I would be happy to talk to you and colleagues about it. Given that comments have been requested by the middle of next week and that Pam has limited availability, I wondered whether you would have time on Monday next (about an hour?)

Regards.
