We need your help to run the census, which gathers vital information to help plan services such as transport, education and healthcare.

All households should complete the census on 21 March 2021 or as soon as possible after.

If you prefer, you can complete the questionnaire online:

1. Go to www.census.gov.uk
2. Enter the household access code on the front of this questionnaire.
3. Answer the questions and select submit.

Thank you for taking part.

Professor Sir Ian Diamond
National Statistician

You must take part in the census by law. If you do not, or if you supply false information, you could be fined. Some questions are clearly labelled as being voluntary – it is not an offence if you do not answer these.

Your information is protected by law.
Find out more in the leaflet that comes with this questionnaire.
Before you start

The householder is responsible for ensuring that this questionnaire is completed and returned.

The householder is the person who lives, or is present, at this address who:
- owns/rents (or jointly owns/rents) the accommodation; and/or
- is responsible (or jointly responsible) for paying the household bills and expenses

A household is:
- one person living alone; or
- a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room or sitting room or dining area

What should I complete on this questionnaire?

- Household questions on pages 3–6 about this household and its accommodation.
- Individual questions on pages 7–31 for every person who usually lives in this household. Every person who has been, or intends to be, in the UK for 3 months or more should be included in these questions at their usual UK address.
- Visitor questions on the back page (page 32) for all other people staying overnight in this household on 21 March 2021. It is important to include visitors staying overnight in this household to make sure no one is missed. Visitors who usually live elsewhere in the UK must also be included on a census questionnaire at their usual address.

You will find further information about who to include in this questionnaire in the accompanying leaflet.

Will I need extra questionnaires?

- If there are more than 5 people in this household, or more than 3 visitors staying overnight, you can choose either to complete the entire questionnaire online, or fill in this questionnaire and contact us to request one or more Continuation Questionnaires.
- If any member of this household does not want to disclose their information to others in the household, you can request an Individual Questionnaire. Remember to include these people in household questions (H1 to H14) on this questionnaire, but leave blank their individual questions (1 to 51).
- If there is more than one household at this address, contact us to request one or more additional Household Questionnaires.

You can request extra questionnaires online at www.census.gov.uk or by calling 0800 169 2021.

How should I complete my questionnaire correctly?

You should:
- use black or blue ink to answer
- tick your answers within the box, like this: ☑️
- print in capital letters within the boxes, one letter per box, like this: DAFYDD
- correct any mistakes by filling in the box, like this: ☞️ or this: JOHNS
- continue onto the next line (if possible) when a word will not fit, like this: PADDINGTON
- follow the ➔ GO TO instructions and leave any questions or pages you do not need to answer completely blank; any marks or lines can be mistaken for answers
