Subject: Meeting with Scottish Government on Tuesday 16th September

Hi [REDACTED]

Just a note to thank you both for travelling up to Edinburgh and meeting with [REDACTED] to discuss the various requirements from the UKSA Assessment Report 288 on recorded crime statistics in Scotland.

It was very helpful to meet face to face and to have these discussions in person. As you are aware, there are a number of different strands of work which we are undertaking in relation to meeting these requirements. However as these areas of work develop, we can share some of this material with you for comment, for example, the commentary in the statistical bulletin. Thank you once again for this offer of advice and support.

Kind regards,
