Hi [REDACTED]

I am interviewing tomorrow – its possible I'll have a gap after 12 in which I can call you – I can try when I have a break, but won't know when it will come.
If that doesn't work, would 5.30pm -ish be okay?

I suspect the call between Iain and [REDACTED] is likely to be about Census; will try to confirm.

Thanks,
Melissa

Hi Melissa

I'm on leave on Thursday and Friday (back next Thursday), but would be free any time from 12.00 onwards tomorrow (happy to do a call early evening then if easier). Alternatively, [REDACTED] may have some availability first thing on Friday, although this isn't certain.

I'm also aware the Deputy National Statistician has been in touch with our CEO [REDACTED] today, and they're due to have a phone call on Thursday; I presume this is in relation to the Census.

Let me know what works best for you – thanks very much.

Best wishes

Hi [REDACTED]

I think it would be great to catch up on the phone.
I'll also include James, who has succeeded me as lead for sexual orientation and gender identity.
I'm sorry but am struggling to find time – I could do sometime between midday and 1pm on Thursday? Or between 12 and 3 on Friday?

Thanks,
Melissa

Hi Melissa

Hope you're well.

Following on from our recent call, I was wondering if there's been any further update about the sex question, and also whether [REDACTED] and [REDACTED] have been informed about the developments we discussed over the phone – thanks very much. I'm happy to chat on the phone if easier.

Best wishes
