Why do we need your help?

We need your help to test our plans for a census in 2011.

The census is the only time every person and household is counted. Knowing how many people and visitors there are in each area is vitally important in the planning and funding of all our local and national services.

Each adult and child needs to be counted even if they are visitors to the area or the UK.

While this is a rehearsal for the 2011 Census and is voluntary, your support would be appreciated.

Is it confidential?

Yes, all the personal information that you give us is protected by law. It will be kept strictly confidential and will not be disclosed to anyone outside the census organisation.

Thank you for your co-operation

Before you start

What should you complete on this questionnaire?

There are 3 sections to complete:

Household questions on pages 3-6 about your household. These are numbered H1 to H14.

A 'household' is:

- one person living alone; or
- a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room, sitting room or dining area

Individual questions on pages 7-30 for every person who usually lives in this accommodation.

There are individual questions numbered 1 to 43 for up to 6 people. Every person who has been, or intends to be, in the UK for 3 months or more should be included in these questions at their usual address.

Visitor questions on the back page (page 32) for all other people staying the night in this accommodation on 11 October 2009. There are visitor questions numbered V1 to V4 for up to 3 visitors.

It is important to include visitors staying overnight here on 11 October 2009 to make sure no-one is missed. Visitors who live elsewhere in the UK must also be included on the Census questionnaire at their usual address.

You will find further information for people with special circumstances on page 31:

students/schoolchildren who live away from home, children with parents who live apart, lodgers, unrelated/shared households, people who live away from home while working, people temporarily away from home, people from outside the UK and absent households.

Will you need extra questionnaires?

- If there is more than one household at this address you need to request a separate Household Questionnaire
- If there are more than 6 people in your household, you can choose to either:
 - complete the entire questionnaire online, including everyone in your household; or
 - fill in this questionnaire and request a Continuation Questionnaire for the additional people
- If any members of this household wish to fill in Individual questions (1 to 43) separately, you can request Individual Questionnaires, which may be completed on paper or online

You can do this online at www.census.gov.uk or by calling 0300 0200 901.

This questionnaire will be scanned by a computer

You should:

- use black or blue ink to answer
- tick your answers within the box like this:
